*Words and Music by* : Brett Weller

*Intro:* G#m/B G#m9/B F# F#

## *Verse*

G#m/B  
The waters come alive  
G#m9/B F#  
to rise above our gated shores  
G#m/B  
the levees lean and bend  
G#m9/B F#  
as the current overflows

G#m/B  
We needed love to give  
G#m9/B F#  
and hope to not be lost  
G#m/B  
in a flood that rages on  
G#m9/B F#  
with no concern of the cost

*Chorus*

B F#  
I am not just bone and blood  
B  
My soul will overcome the grave  
F#  
I see the light of love and grace  
G#m (B to repeat)  
The flood of sorrow can not stay

*Verse 2*

Would you take my hand  
You can see i'm scared and bruised  
My friends have all moved on  
I've got nothing left to loose  
I have waded here all day  
as the floods have torn my walls

*Instrumental:* B - - - / F# - - - / 6x

G#m7 B F#  
These are just bones It's not our grave
