

Verse 2

How am I suppose to move?
On this isle alone I call depression
I've built a shelter here
Until I think I've learned my lesson
Why'd we wrestle with
We wrestle with
Feeling like we're good for nothing
I'm missing I've been missing
Floating in the middle of this sea

Bridge

Db *Fm* *Eb*
Oh I see the sun I see the stars
 Bb *Db*
I watch the universe explode
 Fm *Eb*
I'm taking all these lights, and all the signs
 Bb
In hopes we all aren't left behind

Instrumental : (F - Fm7 - Eb - Bb -)
